Winter break is already over without even a hint of snow, but that's okay because it is now time for spring! Even though spring won't start for a few weeks, after the first week of school Formal Recruitment begins. Formal Recruitment lasts over two weeks and it is an exciting time for us because it will be the first time we are recruiting as Theta Phi Alpha during formal rush. If you have any questions about formal recruitment and how it works, you can email panhel@stevens.edu . Also you can [check out the Formal Recruitment Page on Facebook](#) . We are so excited to meet the potential new members and get to know them! The dates for the recruitment events are January 24th, 25th, and 26th, and we hope to see you there!
